

Sunday School fund raising event – Northfield Church

The Sunday School department of the church in Northfield held a fund raising concert on Sunday 22nd November 2009. Although a number of the members were absent due to sickness, it was nevertheless a good night. The event was ably moderated by Sis. Jennifer Thompson, the local Sunday School Director. The National Sunday School Director, Deacon Clement Edmeade showed his versatility in the role of Worship Leader for the evening. Various members of the congregation displayed their talents, some we never even knew they had. Some read poems they had written while others sang or played musical instruments to the glory of God.

We give God thanks for a wonderful evening and the willingness of the members to give to the cause of Christ and His church.
