

## **District Meeting 29th January 2008**

Our first District Meeting for this convention year was held at 7.30pm on Tuesday 29th January 2008, at the Church in Northfield. It was moderated by our National Overseer, Bro. Philip Bennett and there was hardly an empty seat to be found in the sanctuary.

The meeting began with a season of consecration choruses as we welcomed the presence of the Holy Ghost. Sis Evette Edmeade lead a lively devotion which kicked off with the rousing congregational chorus "Turn it over to Jesus". The scripture reading was taken from Psalms 48 verses 1 – 2 reminding us how great God is.

Our precious pastors greeted, and encouraged the congregation in turn before brethren were given the opportunity to testify about the goodness of the Lord. The testimonies were hot! Thank God for what He is doing for His people!

The night's speaker was Deacon Cranston Harrison. The theme of his message was simply "Call on Me" taken from Jeremiah 33. He highlighted the fact that no matter what time of night or day, the Lord is there for us to call upon with our problems, and he will hear them all! We were reminded about man's limitations and our inadequacies in dealing with all of the things that life can throw at us at times. Praise God for his omnipresence and his omnipotence!

The meeting was infused with much prayer and it ended with an altar call. A sweet spirit of fellowship was enjoyed by all after the service when the brethren greeted one another.

Thank God for this, the first District Meeting of the New Year. We pray that God will continue to bless the assembling of his saints in England.

Keep your eye on the website for the date and venue of the next meeting.
