

Appreciation Service – Sunday 03/5/2015

On the evening of Sunday 03 May 2015 the Church of God in England gathered at the Druids Heath Church for an appreciation service for Pastor Frances Prince who had pastored the local church for over 30 years but had to step down due to ill health.

The service was moderated by the National Overseer Bishop Philip Bennett. Tributes were given to Sister Prince by all the local Pastors, some long standing members of her congregation and the National Overseer. There were also songs from all the churches including the gleaners from Druids Heath and a poem from her granddaughter Claudine Brown.

A presentation was made to Sister Prince at the conclusion of the service and all the ministers gathered around to pray for her and her husband Deacon Samuel Prince.

It was a wonderful time of fellowship as we reminisced on times past. Truly the Holy Ghost placed His approval on the night's proceedings.
