

NATIONAL LADIES RETREAT – 24th -25th MAY 2014

Ladies, if you we're not present at this year's Ladies Retreat you certainly missed out! This year's theme was, "***Faithful Stewards: the rewards of faithfulness.***"

The first presentation of the day was by Pastor Angela Clarke where she spoke of the dedication and faithfulness of Lydia. Although not much is mentioned of this lady in the scriptures, we were all blessed when we looked in depth at her labour and compassion for the church.

Sister Claudine Brown also delivered a wonderful presentation on Ruth. We were reminded to keep busy and faithful in our fields of labour while we wait on God's promises.

Throughout the retreat we also honoured the faithfulness of present day sisters within the church. Some of the sisters acknowledged were Evangelist Armena Taylor-Harrison, Pastor Frances Prince, Sister Jennifer Thompson, Sister Wilhelmina Brown and Sister Beverly Wilson. The late Pastor Harrison was also honoured as a faithful woman of the past for her devoted service to the Lord while she lived. During this time Sister Jennifer also acknowledge Pastor Beverly Anderson for all the selfless hard work she does and has done in the past. Needless to say, there were lots of tears as we heard of the road some of the ladies among us are coming from.

Sunday was the last day of our retreat and it came with even more blessings. The presence of God moved as Evangelist Taylor-Harrison led us in a wonderful devotion. That same spirit was present as Pastor Beverly Anderson delivered an awesome message entitled: "***The Rewards of Faithfulness.***"

Don't miss out on next year's ladies retreat, you will be blessed!!
