

Handsworth Revival 16th – 18th March 2008

The Spirit of God was truly with us during the three nights of the Revival meeting. The theme of the Revival was taken from Psalms 51:7..."Purge me with hyssop, and I shall be clean; wash me, and I shall be whiter than snow." Brethren from the churches in Northfield and Druids Heath were there to support and worship with the members in Handsworth.

On the Sunday evening, Pastor Beverley Anderson preached a wonderful message to a sizable gathering using the theme of the Revival as her topic. She spoke about David, the man after God's own heart who fell into sin but humbled himself in asking for forgiveness. During the alter service one young lady that had been attending Church for a few months was saved, sanctified and filled with the Holy Ghost.

Monday night there was an overwhelming spirit of worship as members danced in the Spirit. Our National Overseer, Philip Bennett preached on the topic, Sanctification a second definite work of grace. He told us that much of the problems in our personal lives and in the Church could be attributed to a lack of sanctification. After the message a number of seekers gathered at the alter to seek God in their lives.

On the last night of the feast Pastor Frances Prince, the Pastor at Druids Heath preached an almost identical message to that preached on the Sunday evening, again using the theme of the Revival as her topic. She told us that if we found that our conscience was troubling us, we needed to go and make it right with God. Again members gathered at the alter to seek God for cleansing. This was like the old time days. To God be the glory.
